Healthy voting basics

If you go out to vote—to drop off a ballot or vote in person—follow these common sense precautions to keep voting healthy for you and your community.

- Wear a mask or other face covering.
- Maintain a physical distance of at least 6 feet to protect yourself, election workers, and other voters.
- Before and after voting, wash your hands with soap and water for at least 20 seconds. Or use hand sanitizer with at least 60% alcohol.

If you are sick or concerned that you have been exposed to the coronavirus, and don’t have an absentee ballot, contact your local elections office for guidance about your voting options.

Healthy tips for voting by mail

Voting by mail is a healthy option because you vote at home.

- You may be able to put your ballot in a drop box from a car.

Make sure your ballot counts! Remember...

- Be sure to sign the declaration on the return envelope.
- Seal inner and outer envelopes.
- Closely follow all instructions to ensure your ballot is counted.
- Return your ballot promptly. Postmarks don’t count!

Healthy tips for voting in person

Voting in person means going to an early voting location or polling place.

- Bring your mask, hand sanitizer, and water.
- Follow instructions for healthy voting at your in-person voting location.
- Practice physical distancing and stay at least 6 feet away from poll workers and other voters.
- Don’t try to clean the the voting system yourself. Ask an election worker. They know how to do it without damaging the machine.
- If you can, go when the voting center will not be as busy, usually mid-morning or early-afternoon.
- Use curbside or drive-through voting if available.

Accessible voting

All in-person voting centers must have at least one accessible voting system.

- If you can, go when the voting center will not be as busy, usually mid-morning or early-afternoon.
- Use curbside or drive-through voting if available.
- You can bring your own headphones to use with the accessible system.

Check with your local elections office for other accessible voting options.
