- Wear a mask or other face-covering.
- Maintain a physical distance of 6 feet to protect yourself, election workers, and other voters.
- If you go to a post office, wear a mask or other face covering to protect yourself, the postal clerk, and others.
- Before and after voting, wash your hands with soap and water for at least 20 seconds. Or use hand sanitizer with at least 60% alcohol.

If you are sick or concerned that you have been exposed to the coronavirus, and don’t have an absentee ballot, contact your local election office for guidance about your voting options.
